

White Rock Lake Association

October 2011 Newsletter

We want to rebuild the lake!

Residents of White Rock neighborhood gathered at the clubhouse of White Rock Lake on Thursday, September 22nd. Ideas, concerns, and plans were discussed.

It was decided that it is time to bring back our lake! Our goal is to bring back days of picnics, bonfires, parties, volleyball games, basketball games, swimming, fishing, and playing in the sand.

WE NEED VOLUNTEERS!

In years past, the lake was maintained by residents of our neighborhood. In order to rebuild the lake once again, we are asking

for volunteers once again.

We are going to start by cleaning up the property. Please bring your wheelbarrows, shovels, gloves, rakes, leaf bags, and clippers on **October 8st and October 9nd from 9am – 2pm**. We will be meeting at the Clubhouse. Help on either or both days would be greatly appreciated. **Bagels, coffee, and donuts will be served!**
